Adriano González Reyes

Havana, Cuba · linkedin.com/in/AGR55 · +53 54064811·gonzalezreyesadriano@gmail.com

More than 2 years of experience as a Software Developer. Participated in the development of customized websites tailored to meet specific needs, delivering products on time and improving application performance by up to 30%.

PROFESSIONAL EXPERIENCE

EsAki   **Havana, Cuba**
Frontend Developer   October 2024–March 2025

- Designed and implemented the user interface of a custom e-commerce system using Next.js, React and Tailwind CSS to ensure a smooth, responsive experience.
- Integrated RESTful backend endpoints (NestJS) to display product catalogs, manage shopping carts and process payments, ensuring optimal data loading.
- Developed reusable components and style libraries, reducing new screen layout time by 40%.
- Automated frontend deployment with GitHub Actions, achieving zero-downtime continuous releases and automatic failure alerts.

University of Informatics Sciences   **Havana, Cuba**

Backend Developer   September 2024–Currently

- Collaborating on the migration of internal management modules using Django REST Framework, enhancing academic management and query workflows.
- Implemented abstractions practices, reducing errors and development times.

EDUCATION

UNIVERSITY OF INFORMATICS SCIENCES   **Havana, Cuba**
                                                                               September 2023
Computer engineering

OTHER SKILLS

- Telegram Bot Development: Designed and deployed bots to automate workflows, handle notifications, and integrate with business systems.
- Desktop Application Development: Built cross-platform GUIs using PyQt6 and Electron, interfacing with hardware modules and network services.
- Automation Scripting: Authored robust Python and Bash scripts to streamline repetitive tasks, data processing, and system maintenance.

- Embedded Systems: Developed Arduino-based solutions, integrating sensors and actuators for real-time data acquisition and control.
- Languages: Native Spanish speaker; improving my English (actually certified at A2 level).
